

**CU Grow: Vendor Development Program**  
**A University Facilities and Operations Initiative**

Expand your vision, network, & capacity

The CU Grow Program accepts firms in the built environment including **construction trades, professional services, suppliers, and commodities with a revenue of \$250K minimum.**

See list of types of firms. If you do not see your area of service listed, please contact [cu-grow@columbia.edu](mailto:cu-grow@columbia.edu) to confirm that you are eligible to apply.
